The contents of this document do not have the force and effect of law and are not meant to bind the public in any way. This document is intended only to provide clarity to the public regarding existing requirements under the law or agency policies. Grantees and subgrantees should refer to FTA's statutes and regulations for applicable requirements.

Overview

The COVID-19 Response Program Information Collection Online Application will collect data on the impacts of COVID-19 on the transportation industry.

The Federal Transit Administration (FTA) requires this information, pursuant to [49 U.S.C. § 5334](#), from recipients and sub-recipients of FTA funds under the Urbanized Area Formula Funding program ([49 U.S.C. § 5307](#)) or the Formula Grants for Rural Areas program ([49 U.S.C. § 5311](#)) that operate transit systems or pass through funds to sub-recipients that operate transit systems.

The requirement also applies to recipients and subrecipients of supplemental funding that is administered under Section 5307 and Section 5311, such as the Coronavirus Aid, Relief, and Economic Security (CARES) Act (P.L. 116-136), Coronavirus Response and Relief Supplemental Appropriations Act (CRRSAA) (P.L. 116-260), and American Rescue Plan Act of 2021 (P.L. 117-2) funds.

Please see the table on the following page for additional information and detail about exclusions.

If you have questions about a recipient's or subrecipient's reporting requirements under the COVID-19 Response Program Information Collection, please contact FTA at: FTASystemSafety@dot.gov
